

Dear FAC Member

“Aerospace is a growth market –why not take a larger share of it!”

If you are looking to reach over 11,000 (ABC Audited) European prime decision makers, in both the civil and defence aerospace sectors with your sales message, Aerospace Manufacturing offers you the perfect marketing opportunity.

Aerospace Manufacturing has received worldwide acclaim for its high quality focused approach to all aspects of the supply chain from OEMs and Primes right down through to the first, second and third tiers.

With a total circulation of 21,000 copies, our June 2010 edition is our Farnborough Airshow Issue distributed at the show entrance and throughout all the business halls, this issue will put your products and services in front of aerospace decision makers from around the globe.

As a FAC Member **special discounted rates** for advertising both in the magazine and on line at www.aero-mag.com are available.

However your window of opportunity is closing. Final copy deadline to book your advertisement space in the June 2010 Farnborough Airshow Issue is **Friday 28th May**.

If you would like to discuss any marketing options or would like to receive a full media kit, please feel free to contact me by either email or directly on 0044 1634 830566.

Yours sincerely
